

## High performance ligature-resistant luminaires suitable for external walkways and perimeter lighting

Stylish IP66 wall mounted anti-ligature luminaires. Strong high-pressure die-cast aluminium body with high efficiency polycarbonate refractor secured using tamper-resistant screws. Less than 2% upward light.

- Strong high-pressure die-cast LM2 aluminium body with high efficiency prismatic polycarbonate front cover
- Wide distribution or area distribution options
- Highly specular, multi-faceted injection moulded vacuum metallised reflector on wide distribution versions
- Excellent distribution with less than 2% upward light component
- T30 pin Torx tamper-resistant cover screws as standard
- 4000 or 5700 K options

IP66

IK11

Up to 127.6 LL/CW

SMARTSCAN

### Specification

|               |         |           |      |
|---------------|---------|-----------|------|
| Mounting      | Surface | IP rating | IP66 |
| Impact rating | IK11    |           |      |

### Lighting

|          |                                |              |                     |
|----------|--------------------------------|--------------|---------------------|
| Optic    | Clear cover<br>Prismatic cover | Lumen output | 1,320 lm - 5,635 lm |
| Efficacy | Up to 127.6 LL/CW              |              |                     |

### Emergency data

|                        |                 |                       |                             |
|------------------------|-----------------|-----------------------|-----------------------------|
| Emergency lumen output | 365 lm - 385 lm | Emergency type        | Maintained                  |
| Emergency duration     | 3 hours         | Battery specification | Nickel Metal Hydride (NiMH) |

### Power

|           |            |               |             |
|-----------|------------|---------------|-------------|
| LED power | 8 W - 42 W | Circuit power | 11 W - 47 W |
|-----------|------------|---------------|-------------|

### LED characteristics

|                    |                       |                    |                  |
|--------------------|-----------------------|--------------------|------------------|
| CRI                | 70+<br>80+            | Colour temperature | 4000 K<br>5700 K |
| Rated life (hours) | Up to 100 K - L90/B10 |                    |                  |

## Compliance

|              |     |    |     |
|--------------|-----|----|-----|
| UKCA         | Yes | CE | Yes |
| C-Tick (Aus) | Yes |    |     |
