

Track-mounted adjustable spotlights

Strike M is a stylish track-mounted spotlight with discreet in-track control gear and is perfectly suited for display and retail applications. The adaptable design allows interchangeable low glare optics, which are available in either narrow (22°), wide (33°) or flood (54°) beams, providing a smooth distribution and reducing spill light.

Strike M boasts the same great features as the Strike S, including CRI90 LEDs, 3000 K and 4000 K options as standard, and the ability to be rotated 350° azimuth and 90° vertically for a full range of movement. For use with the Track system.

Applications: Display & feature, retail, reception areas, hospitality, art galleries, museums, libraries

- Die-cast aluminium body
- 350° azimuth adjustment
- 90° vertical adjustment
- Low glare optical control
- Optimised beam distribution using lens for reduced spill light
- Fitted with CRI 90 LEDs, suitable for retail applications
- Suitable for installation into Global track

IP20

Up to 123.1 LL/CW
